Presenting Sponsorships represent the highest tier of sponsorship opportunities and the highest visibility opportunities ACP has to offer. The packages include offerings exclusive to presenting sponsors alone as well as credits towards common expenditures, such as booth space and meeting rooms. Learn more about Presenting Sponsorship to place your brand front-and-center at ACP Conferences, to ACP Members, on ACP social media handles, and more! Looking to make a big splash at ACP's conferences in 2023, RWE was excited to enter into a Platinum Presenting Sponsorship. Through weekly calls, **ACP ensured that we maximized our sponsorship package and achieved our marketing and branding goals at CLEANPOWER.** We found ACP, especially Becca and Nina, to be very responsive and comprehensive throughout this process making this a fantastic experience for us."
